

**a Criminalistics Training Program for Educators**

College of Lake County  
Office of Workforce & Professional Development  
Grayslake, IL

*Forensic-Classroom*<sup>SM</sup> is a six-day workshop program for educators who wish to use crime scene investigation content material to engage their students in the science curriculum. This hands-on program will help educators understand the tools, techniques and scientific principles of crime scene investigations.

The registration fee of \$799 **does not** include the text used for the class. The text, **Forensic Science for High School – Teacher Edition (2<sup>nd</sup> Ed.)** is available from the publisher and can be ordered through their web site at [www.kendallhunt.com](http://www.kendallhunt.com). We suggest contacting Kendall-Hunt to see if a complimentary copy of this book can be obtained for your school.

The small class size of this workshop is meant to allow students ample time to work through practical exercises and to permit the instructors to closely evaluate each student’s work.

**This is a six day program that will run on the dates of July 29, 30, 31 and August 3, 4, 5 / 2015.**

Registration forms not accompanied by payment will be held until June 1, 2015, after which they will be cancelled. All checks should be made payable to Imprimus Forensic Services, LLC. Participants can also register directly with the College by calling the Office of Workforce & Professional Development at 847-543-2026. **This is a preliminary registration form. Participants will also be required to register with the college once the program has been added to their web site or on the first day of class.**

Please contact Mike Wasowicz at Imprimus Forensic Services, LLC with questions or requests for additional information (847-804-8420).
